RESCUING OUR CHILDREN – AND OUR NATION
Alex Newman
More than 85% of American children are being indoctrinated by radicalized government schools. Alex Newman shows how dangerous this threat is and what you and every American can do about it.

THE POISONED APPLE OF INFLATION
Mary-Mark Haggard
The Federal Reserve was promoted as a solution, but in reality was an inflationary mechanism designed to make a group of Insiders even richer. Join economics scholar Mary-Mark Haggard for an in-depth examination of the Fed and its detrimental effects on our economy.

THE USMCA: A NAFTA REDUX?
Art Thompson
NAFTA is dead – long live NAFTA! Supposedly President Trump listened to the people and scrapped NAFTA, but the Swamp is praising the new deal, the USMCA, as NAFTA Plus. What is the real story?

BIG GOVERNMENT IS CRUSHING THE AMERICAN DREAM
Dr. Scott N. Bradley
We the people have the responsibility to enforce the Constitution. In this presentation, Dr. Bradley will help you understand the Constitution and learn to recognize when our elected officials are breaking the rules.
