Elected officials are bound by oath to support the Constitution — many of them are not! Many are calling for a convention, but how can changing the rules fix anything when they’re not being followed in the first place? Join Robert Brown to learn how the solution is to enforce, not change, the Constitution.

— Rein In Big Government With Article VI, Not V

Elected officials are bound by oath to support the Constitution — many of them are not! Many are calling for a convention, but how can changing the rules fix anything when they’re not being followed in the first place? Join Robert Brown to learn how the solution is to enforce, not change, the Constitution.

The past two years have seen many “spontaneous” violent uprisings, protests, and “social justice” court cases. Who’s really behind this? Join filmmaker and producer Trevor Loudon as he unravels the web, reveals the secrets, and shows us how we can restore America and preserve liberty.

— The Enemies Within

Trevor Loudon

NAFTA is dead – long live NAFTA! Supposedly President Trump listened to the people and scrapped NAFTA, but the Swamp is praising the USMCA as NAFTA Plus. Arthur Thompson reveals the contents of the USMCA in an easy manner for all to understand; you decide – is it just another entangling alliance our Founders warned against?

— NAFTA Redux
