

Get US Out! of NAFTA

STOP THE NORTH AMERICAN UNION

Get US Out of NAFTA!

For more than 20 years, we have witnessed NAFTA's destruction throughout America! Now globalists want to update, modernize, and expand NAFTA to create the North American Union. We stopped the NAU in 2009, and with your help, we can do it again. Let's create the pressure needed to *Get US Out!* of NAFTA, instead of renegotiating. Remind President Trump to put America First!

NAFTA NOW

- Decreased standard of living
- Nearly a million jobs exported
- America's manufacturing base decimated
- NAFTA court overriding U.S. laws and courts
- Foundation for a North American Union modeled after the socialist European Union

NAFTA RENEGOTIATED

- Further suppressed wages and leveling of Mexican, Canadian, and U.S. economies
- Unelected foreign bureaucrats regulating businesses and entrepreneurs
- Expanded and "aggressive enforcement" of bureaucratic environmental and business regulations
- Merger of police and military for North America

NAFTA: Global Objectives (NAU) Camouflaged as "Free Trade"

"... merely the first draft of an economic constitution for North America"
— Robert Pastor

"... is not a conventional trade agreement, but the architecture of a new international system"
— Henry Kissinger

"... our long range objective is to establish ... an ensemble ... similar to ... the European Union."
— Vicente Fox
